MOSQUE COOPERATIVES NEED TO DIVERSIFY STRATEGIES TO REMAIN COMPETITIVE

KUALA LUMPUR, Nov 18 (Bernama) – Mosque cooperatives are urged to diversify their business strategies to remain competitive and continue to offer their best services to members and the community.

Angkatan Koperasi Kebangsaan Malaysia Berhad (ANGKASA) president Datuk Dr Abdul Fattah Abdullah said the economic landscape was changing and demanded innovation to ensure that cooperatives did not miss out on any opportunities and new sectors that existed post-COVID-19 pandemic.

“ANGKASA will continue to work together with the leaders of mosque cooperatives and empower the institutions to ensure the socioeconomic position of the Muslims in the country remain strong and protect the welfare of congregants,” he said during the presentation ceremony of basic necessities to 150 asnaf (tithe recipients) and members of Koperasi Kariah Masjid Al-Akram KL Berhad here today.

As of June 30, there are 462 mosque cooperatives with a membership of 38,620 individuals nationwide.
