Angkasa approves RM30m allocation

PETALING JAYA: The 38th Angkatan Koperasi Kebangsaan Malaysia Berhad's (Angkasa) annual general meeting (Mapa 2024) Saturday passed the proposed allocation of RM30 million, that will be used to implement new businesses to strengthen the cooperatives sector and the national economy.

Angkasa President Datuk Seri Dr Abdul Fattah Abdullah said it includes the cooperative business development projects and food security projects that encompasses crops, livestock and fisheries.

"The world today is facing climate change issues, we can see many countries that are supposed to be producing food being hit by drought, floods and even war that cause a disruption in food supply.-
